CAROLINA KUSTOM MODLERS NNL SUMMER CLASSIC

On Saturday August 16, Billy Mayberry and I (Robert Doss) headed south to the first annual Carolina Kustom Modelers NNL Summer Classic show in Clemmons NC. This was an NNL style show, the models are not judged, but the modelers and general public voted for the model they like best. The top ten vote getters won a Top Ten Plaque. There was also a vote for Peoples Choice, Best Juniors (0-11 & 12-16, and Best Theme. There were around 208 models on display this year. Not bad for a first year show. Billy did not enter any models, just did some shopping at the vendors. I received a Top Ten Plaque for my 1967 Impala, and also spent some money at the vendors. This was a good show. Laid back, with out the stress of judging, just enjoyed looking at the models and talking to people.
